NAME OF DEVELOPER/APPLICANT: BMK Properties, LLC

NATURE OF TRANSACTION: Pursuant to Resolution No. 2016-67, adopted on June 8, 2016, the Board authorized the Redevelopment Agreement between the Philadelphia Redevelopment Authority ("PRA"), and 1620 Cecil B Moore LLC ("Redeveloper"), for the transfer and development of the parcels located at 1620-24 Cecil B. Moore Avenue and 1626 Cecil B. Moore Avenue (collectively, the "Property"), located in the Cecil B. Moore Urban Renewal Area. The initial construction plans for the Property provided for the construction of a four (4) story – nine (9) unit multi-family dwelling with a commercial unit on the first floor.

Pursuant to Resolution No. 2016-89, adopted on August 10, 2016, the PRA Board authorized a modification to the plans to increase the multi-family dwellings from nine (9) to eleven (11) units with commercial on the first floor. Thereafter the Redevelopment Agreement was fully-executed by the Redeveloper and PRA on November 22, 2016, and recorded with the City of Philadelphia's Record's Department on December 15, 2016, as Document No. 53149127.

Redeveloper has completed construction on the Property, submitted the Certificate of Occupancy and has requested a Certificate of Completion for the project. Upon review of the request by PRA Staff, it was ascertained that best faith efforts to achieve Economic Opportunity Plan ("EOP") goals were not made and the approved plans were revised without the PRA's knowledge or consent to include an increase in the number of units to eighteen (18) units, sixteen (16) of which are multi-family residential dwelling units and two (2) of which are commercial units.

Today, the Board is requested to consider a resolution that would authorize the imposition of a fee for (i) the EOP noncompliance, and (ii) the approval of the revised plans that have been submitted to the PRA. Because the project was completed without PRA staff monitoring, PRA staff have approved the revised plans, and determined that the improvements are consistent with those permitted under the Cecil B. Moore Urban Renewal Area plan.

If approved, there will be an fee in the amount of One Hundred Ten Thousand Dollars (\$110,000.00).

COMMENTS OR OTHER CONDITIONS:

As stated above, the Board is being asked to authorize a resolution that would authorize the imposition of a fee for (i) the EOP noncompliance, and (ii) the approval of the revised plans that have been submitted to the PRA. If authorized, following the execution of the Amendment, an administrative Certificate of Completion will be issued certifying that the project was completed in accordance with the revised plans and in accordance with the Redevelopment Agreement.

Proposed Resolution is attached.
