OLD BUSINESS

Mr. Thomas asked if there was any old business for the Board. No new business was presented to the Board.

NEW BUSINESS

Mr. Thomas asked if there was any new business for the Board. Mr. Thomas recognized Sloan King Wolf and invited her to speak. Ms. Wolf stated that she works with Legacy Roots Housing Initiative, an up-and-coming housing development entity. Ms. Wolf stated that she wanted to gain a better understanding of the H.O.M.E. Plan and HPLP and asked if the H.O.M.E. Plan will assist small developers in participating in various city projects.

Mr. Thomas responded by distinguishing HPLP and the Citadel resolution from the H.O.M.E. Plan. Mr. Thomas explained that certain programs under the H.O.M.E. Plan are directed toward small and/or larger developers, noting that smaller developers can secure capital loans from the Accelerator Fund. Mr. Thomas added that he could not speak to specifics yet because things are still being worked out.

Ms. Wolf stated that she is working with boxable modular units for development. Mr. Thomas responded that there is an RFI for Logan out right now regarding modular development. Mr. Lawrence confirmed that the city has issued an RFI pertaining to modular units to gain a better understanding of the process, costs and all elements associated with modular units. Mr. Lawrence offered to exchange his contact information with Ms. Wolf after the meeting.

Mr. Thomas recognized Nika Milbrun and invited her to speak. Ms. Milbrun identified herself as being with She Rise Home Community & Development, which she described as assisting homeless individuals especially women from 18 to 24 years old. Ms. Milburn explained she was seeking information on PHA vacant properties or vacant city-owned buildings. Mr. Lawrence suggested that Ms. Milbrun visit the Philadelphia Land Bank website and type in a specific address to see if the property is available. Ms. Milburn stated she was looking for vacant properties in the 5th Councilmanic District, Temple University area. Mr. Lawrence replied that the properties in this area are earmarked for future RFPs. Mr. Thomas asked Ms. Milbrun to clarify whether she was looking for vacant land or vacant building. Ms. Milburn replied that she was looking for a vacant building.

Mr. Bullock stated that PHA is a different entity from the Redevelopment Authority, PHDC, and the Land Bank.

Mr. Lawrence added that PHA has its own Board of Directors and utilizes an RFP model as well. Mr. Lawrence explained that there are not too many vacant buildings located in the 5th Councilmanic District. Ms. Milbrun asked if there were any initiatives for transitional housing. Mr. Lawrence replied that DHCD and OHS might issue RFPs.

Mr. Boyer asked Ms. Milbrun if she was looking for scattered sites or a consolidated site. Ms. Milburn replied that she was open to anything.

Ms. Joye pointed out that Covenant House did something similar. Ms. Joye asked how someone gets onto an RFP email distribution list. Mr. Lawrence answered that it could be done via the PHDC website.

Mr. Thomas recognized Shakar Hawkins and invited him to speak. Mr. Hawkins thanked the members of the Board for bringing up RFIs. Mr. Hawkins informed the members that he has worked on modular development in the past. Mr. Hawkins pointed out that he has construction/engineering experience with commercial projects such as Wawa. Mr. Hawkins further stated that he appreciates the new initiatives being made available via the H.O.M.E. Plan.

ADJOURNMENT

There being no further business to come before the Board, Mr. Thomas called for a motion to adjourn the meeting. Upon motion made and duly seconded, the meeting was adjourned at 4:28 P.M.

NATURE OF REQUEST: Authorization for the Philadelphia Redevelopment Authority (the "Authority") to enter into an Agreement for Professional Services with Citadel Federal Credit Union ("Citadel") to undertake the origination and servicing of loans under the Restore, Repair, Renew: Philadelphia Neighborhood Home Preservation Loan Program (the "Program").

BACKGROUND: The Program is an initiative of the City of Philadelphia administered by the Authority. The Program is funded with proceeds from one or more series of bonds issued by the Authority as authorized by City Council Bill No. 170878, which was passed by the Philadelphia City Council on November 30, 2017. The Program aims to increase access to low-interest loans for moderate- and middle-income City residents who own residential properties in need of Program-approved repairs.

Pursuant to Resolution No. 2018-56, adopted on July 11, 2018, as subsequently amended pursuant to Resolution No. 2018-80, adopted on October 10, 2018, (as amended, the "Original Resolution") the Board of Directors of the Authority (the "Board") authorized, among other things, the Authority's entry into professional services agreements with certain financial institutions to (i) originate Program loans, (ii) assign or sell such loans to the Authority, and (iii) service the Program loans held by the Authority, in exchange for the Authority's payment of the purchase price of a given Program loan's principal amount, plus an origination fee, a servicing fee, and third-party costs. Further pursuant to the Original Resolution, the Board authorized such professional services agreements to provide for terms of 16 years, comprising a six-year Program loan origination period and a ten-year term for each Program loan.

A Request for Proposals (the "RFP") issued by the Philadelphia Housing Development Corporation ("PHDC") on behalf of the Authority on July 9, 2025, sought responses from additional financial institutions to carry out the origination and servicing of loans under the Program. From among the various respondents to the RFP, a committee of PHDC staff members selected Citadel.

BOARD ACTION REQUESTED: Based on the above terms, the Board is asked to approve the negotiation, execution and delivery of an Agreement for Professional Services by and between the Authority and Citadel for the origination and service of loans under the Program consistent with the terms of the Original Resolution.

Proposed Resolution is attached.

Assignment of Philadelphia Redevelopment Authority Loans to the Philadelphia Housing Development Corporation
 Angela Court I & II – St. Ignatius Community Services
 4400-4412 Fairmount Avenue

NATURE OF TRANSACTION: Authorization for the Philadelphia Redevelopment Authority (the "Authority") to assign to the Philadelphia Housing Development Corporation ("PHDC") the Authority's interest, as lender, in certain loans made by the Authority to St. Ignatius Senior Housing I, L.P. ("St. Ignatius I") and St. Ignatius Senior Housing II, L.P. ("St. Ignatius II," and together with St. Ignatius I, the "Original Borrowers") for environmental remediation and the new construction of 121 affordable rental housing units in connection with the refinancing and rehabilitation of affordable senior housing units located in West Philadelphia.

BACKGROUND: The Authority, as lender, previously made the following mortgage loans in the aggregate amount of \$800,000.00 to the Original Borrowers:

1. A HOME funded loan made on August 14, 2002, to St. Ignatius I in the amount of \$350,000.00, having a term of 30 years with interest at 5.43%, compounded annually and no principal or interest payments due until maturity (the "HOME Loan").
2. An HTF funded loan made on September 28, 2007, to St. Ignatius II, in the amount of \$450,000.00, having a term of 40 years with interest at 5.09%, compounded annually and no principal or interest payments due until maturity (the "HTF Loan" and together with the HOME Loan, the "Authority Loans").

Through May 30, 2026, the combined principal and accrued interest balance of the Authority Loans is approximately \$2,365,451.74.

The proceeds of the HOME Loan were used for the environmental remediation of property located at 4400-4412 Fairmount Avenue in West Philadelphia upon which St. Ignatius I constructed 67 units of permanent rental housing for low-income senior residents ("Angela Court I").

As a condition to the HOME Loan, Angela Court I was made subject to a Declaration of Restrictive Covenants, Conditions and Restrictions with a term of

the later of 20 years or the date upon which the HOME Loan is paid in full, and a requirement that all units in Angela Court I be rented to tenants with incomes not exceeding 60% of the area median income (AMI) (the "First Declaration").

The proceeds of the HTF Loan were used for the new construction by Saint Ignatius II of 54 units of permanent rental housing for low-income senior residents at 4402 Fairmount Avenue in West Philadelphia ("Angela Court II").

As a condition to the HTF Loan, Angela Court II was made subject to a Declaration of Restrictive Covenants, Conditions and Restrictions with a term of the later of 15 years or the date upon which the HTF Loan is paid in full, and a requirement that at least 51% of the units in Angela Court II be occupied by low or very low income persons as determined by the Federal Section 8 Income Standards (the "Second Declaration", and together with the First Declaration, the "Declarations").

PROPOSED PROJECT: St. Ignatius Community Services ("Developer"), the upstream owner of the Original Borrowers now seeks to preserve and rehabilitate the 121 units located at Angela Court I and Angela Court II (collectively, the "Project") using Low-Income Housing Tax Credits (the "LIHTC Transaction"), and in connection therewith, to convey the Project to a new single-purpose entity owned by Developer.

PROPOSED FINANCING:

The total rehabilitation cost of the Project is estimated at \$48,158,833.00, funded primarily through approximately: (i) \$19,631,45.00 in LIHTC equity; (ii) a \$27,110,000.00 construction loan from Ready Capital (to be replaced post-construction with a \$13,000,000.00 permanent loan from Ready Capital); (iii) a new mortgage loan from the Pennsylvania Housing Finance Agency in the amount of \$1,000,000.00; (iv) \$7,477,617.00 in from seller financing; and (v) a new mortgage loan from PHDC in the amount of \$3,800,000.00 (the "PHDC Loan").

To facilitate the LIHTC Transaction, Developer has requested that (i) the Authority Loans be assigned from the Authority to PHDC (the "Assignment") such that, once assigned, the combined principal balance of the Authority Loans in the amount of \$800,000.00 shall be aggregated into a single debt obligation to PHDC in the amount of \$3,800,000.00 (the "PHDC Loan") which includes \$3,000,000.00 in new PHDC financing that may be drawn upon. The PHDC Loan will have a 42-year term at 0% interest, with no principal or interest payments required until maturity. **At the closing of the LIHTC transaction, Developer will make a payment to the Authority in the amount of \$100,000.00 toward accrued interest on the Authority Loans and the remaining accrued interest on the**

Authority Loans will be forgiven, which is calculated through May 30, 2026, to be \$1,465,451.74.00.

In connection with the Assignment, it is proposed that the Declarations will be terminated. In line with its standard practices, PHDC will condition the PHDC Loan on the Project being subject to a new declaration with a term of 42 years and a requirement that all units in the Project be rented to tenants with incomes not exceeding 60% of AMI.

BOARD ACTION: The Board is requested to consent to the following:

- Assignment to by the Authority to PHDC of all of the Authority's right, title, and interest in, and to, the Authority Loans and all associated loan documents including, without limitation, all mortgages and collateral documents.
- Termination of the Declarations
- Acceptance of a \$100,000 payment at closing of the LIHTC Transaction to be applied to accrued interest on the Authority Loans and forgiveness of the remaining accrued interest in the amount of \$1,465,451.74 (calculated through May 30, 2026).

Approval of Second Amendment to Professional Services

Agreement with Program Navigator – Consumer Credit

Counseling Service of Delaware Valley D/B/A Clarifi

NATURE OF REQUEST: Authorization for the Philadelphia Redevelopment Authority ("Authority") to enter into a second amendment to the Agreement for Professional Services with Consumer Credit Counseling Service of Delaware Valley D/B/A Clarifi ("Clarifi") to (i) amend the compensation schedule under the Agreement and (ii) further extend the term of the Agreement (defined below) for an additional three years, effective as of November 15, 2024.

BACKGROUND: Restore, Repair, Renew: Philadelphia Neighborhood Home Preservation Loan Program ("Program") is an initiative of the City of Philadelphia ("City") administered by the Authority. The Program is funded with proceeds from one or more series of bonds issued by the Authority as authorized by City Council Bill No. 170878, which was passed by the Philadelphia City Council on November 30, 2017. The Program aims to increase access to low-interest loans for moderate- and middle-income City residents who own residential properties in need of Program-approved repairs.

Pursuant to Resolution No. 2018-56, adopted on July 11, 2018, as subsequently amended pursuant to Resolution 2018-80, adopted on October 10, 2018, the Board of Directors of the Authority (the "Board") authorized, among other things, an Agreement for Professional Services with Clarifi to provide program navigation and loan counseling services to Program applicants (the "Agreement"). Pursuant to Resolution No. 2022-10, adopted on February 9, 2022, the Board authorized a first amendment to the Agreement to, in relevant part (i) extend the term of the Agreement for an additional three-year period to November 14, 2024, and (ii) add a compensation schedule (the "Compensation Schedule") to Exhibit 3 to the Agreement providing as follows:

"In addition, [Clarifi] will be compensated for the following:

- \$500 at one year following closing;
- \$600 per home assessment;
- \$400 per final assessment;

- \$400 for any additional inspection (Authority approval required);
- \$350 loan readiness services for borrowers who may require additional assistance; and
- \$500 for Home Repair 101 workshops (not to exceed 24 in any calendar year unless receiving Authority approval)."

Because Clarifi has established and demonstrated particular expertise in carrying out its contracted functions with respect to the Program, it has been determined that it would be beneficial to further extend the term of the Agreement, as previously amended, for an additional three years, effective as of November 15, 2024. Additionally, to offset no-longer available sources of philanthropic funding for its operations, Clarifi has requested to amend the Compensation Schedule to increase compensation amounts for certain established functions, include additional compensated functions, and/or revise the descriptions of certain functions as follows:

- \$250 for each completed intake/program eligibility determination;
- \$700 per initial home assessment;
- \$500 per final home inspection;
- \$400 for any additional inspection (prior Authority approval required);
- \$350 for each applicant that requires additional assistance and is provided loan readiness services;
- \$350 for each delinquent borrower that is provided delinquency counseling services;
- \$500 for each loan term out one year following closing; and
- \$500 for Home Repair 101 workshops (not to exceed 24 in any calendar year without Authority approval).

BOARD ACTION REQUESTED: The Board is asked to authorize a second amendment to the Agreement to (i) revise the Compensation Schedule attached set forth in Exhibit 3 to the Agreement, as more particularly described hereinabove, and (ii) extend the term of the Agreement for an additional three (3) years, effective as of November 15, 2024
