PHILADELPHIA HOUSING DEVELOPMENT CORPORATION ("PHDC")

INSURANCE REQUIREMENTS

The individual/entity seeking to enter into a contract with the PHDC ("**Contract**") or who is entering into a contract with such individual/entity to perform any part of the Contract (collectively, the "**Contracting Party**") will procure and maintain during the entire period of the contract, which in no event shall be shorter than the term of the Contract, the insurance described below, unless longer periods are required to be maintained for a certain type of insurance policy. All coverages must be provided by an insurance company authorized to do business in the Commonwealth of Pennsylvania and with a minimum A.M. Best Rating of A- Class VIII. All insurance, except Professional Liability, must be written on an "Occurrence Basis" and not a "Claims-Made Basis."

The insurance policies must provide for at least thirty (30) days prior written notice to be given to the PHDC in the event that coverage is materially changed, cancelled or non-renewed or once any policy limits have been exhausted by fifty percent (50%). In the event of material change, cancellation or non-renewal of coverage(s), the Contracting Party must replace the coverage(s) to comply with the Contract requirements to prevent a lapse of coverage for any time period during the term of the contract, unless longer periods are required to be maintained for a certain type of insurance policy.

The Contracting Party will provide the PHDC with the provisions from each of the required insurance policies or endorsements for each of the required insurance policies stating the following:

- 1) Contracting Party's insurance coverage is on a primary and non-contributory basis with any insurance carried or administered by the PHDC;
- 2) includes coverage for ongoing operations and completed operations;
- 3) Philadelphia Housing Development Corporation, the City of Philadelphia (the "**City**"), and their respective officers, directors, employees and agents are named as additional insured on a primary and non-contributory basis on all of the insurance policies, except for workers' compensation and professional liability insurance policies, even for claims regarding their partial negligence;
- 4) includes a waiver of subrogation in favor of the PHDC and all of the other aforementioned additional insureds;
- 5) coverage is applicable separately to each insured against whom a claim is made or suit is brought and there is no "Cross Liability" exclusion on the insurance policies that preclude coverage for suits or claims between the Contracting Party and the PHDC or between the PHDC and any other insured or additional insured under the insurance policies; and
- 6) no act or omission of the PHDC, the City, or their respective officers, directors, employees or agents will invalidate coverage.
- 7) Contracting Party shall not have a Self-Insured Retention ("**SIR**") or deductible on any policy greater than \$50,000, which shall be the responsibility of the Contracting Party. If any policy of the Contracting Party has a SIR or deductible exceeding this amount, approval must be received from PHDC prior to starting work. In the event any policy includes a SIR or deductible, the

Contracting Party is solely responsible for payment of the SIR or deductible specified in that policy and the Additional Insured requirements specified herein shall be provided within the SIR or deductible amount(s).

Endorsement forms required include CG 20 01, CG 20 10 and CG 20 37 as published by the Insurance Services Office ("ISO") or on equivalent forms that are satisfactory to the PHDC.

If the Contract pertains to a specific property, the property address must be identified on the Certificate of Insurance. Otherwise a contract/work order number or project reference must be included.

Certificates of Insurance must be addressed to: Philadelphia Housing Development Corporation, 1234 Market Street, 16th floor, Philadelphia, PA 19107.

PHDC reserves the right to request and obtain complete copies of the Contracting Party's insurance policies.

I. Insurance Review - Insurance requirements are subject to the periodic review by the PHDC. Any failure, actual or alleged, on the part of the PHDC to monitor or enforce compliance with any of the insurance requirements will not be deemed as a waiver of any rights on the part of the PHDC. The PHDC may require additional types of insurance or higher limits if, in its sole discretion, the potential risk warrants it. The amount of insurance provided in the required insurance coverages outlined below, shall not be construed to be a limitation of the liability on the part of the Contracting Party.
