Project EOP Requirements Summary

Diversity and inclusion is a pillar of the Rebuild program and the Economic Opportunity Plan (Attachment C, Form 04A) will establish goals for achieving the objectives of diverse business inclusion

and workforce diversity. The following is a summary of Rebuild project EOP requirements, specifically Contract and Workforce participation goals.

Diverse Business Inclusion shall mean each Project Contractor’s Best and Good Faith Efforts to provide meaningful and representative opportunities for Minority Business Enterprises (“MBEs”) and Woman Business Enterprises (“WBEs”) (collectively, “M/WBEs”). As a benchmark for the Project Contractor’s expression of its Best and Good Faith Efforts to provide meaningful and representative opportunities for M/WBEs the Project, the following contract participation ranges have been developed. These contract participation ranges represent, in the absence of discrimination in the solicitation and selection of M/WBEs, the percentage of M/WBE participation that would be reasonably attainable on this Project through the exercise of the Project Contractor’s Best and Good Faith Efforts:

Contract/Workforce Participation Goals

	Contract Category	Certification Type	Goal
1.a.	Professional Services	MBE	25-30%
1.b.	Professional Services	WBE	15-20%
2.a.	Construction	MBE	30-35%
2.b.	Construction	WBE	15-20%

The Project Contractor agrees to exhaust its Best and Good Faith Efforts to employ an appropriately Diverse Workforce which will include minority persons and females at all tiers of employment and management. An appropriately Diverse Workforce is one which reflects the local availability and historic utilization of Philadelphia residents, and also recognizes underutilization of diverse workers across all trades. The following are expressed as hourly project employment goals for workforce participation:

Workforce Goals (% of Construction Workforce Hours)

	Labor Category	Sub-Category	Goal
1.a.	Journeyman	African American	27%
1.b.	Journeyman	Hispanic	15%
1.c.	<u>Journeyman</u>	<u>Asian</u>	<u>3%</u>
1.d.	Journeyman	Minority - Total	45%
2.a.	Laborers	Minority	60%
2.b.	Skilled	Minority	40%
3.a.	Laborers	Women	5%
3.b.	Skilled	Women	5%
4.	Local		50-60%

All workers on site (including workers from sub and sub tier companies) are required if requested and/or may request to speak with Office of Labor Standards representatives during unannounced visits.
