(f) Contractors Pollution Liability

(a) Per Claim/Aggregate Limit: \$1,000,000/\$1,000,000

Insurance Requirements

employees or agents will invalidate coverage;

- (g) Contractor shall not have a Self-Insured Retention (“SIR”) on any policy greater than Fifty Thousand Dollars (\$50,000), which is the responsibility of Contractor. If Contractor’s policy(ies) has a Self-Insured Retention exceeding this amount, approval must be received from Owner prior to starting work. In the event any policy includes an SIR, Contractor is solely responsible for payment within the SIR of their policy(ies) and the Additional Insured requirements specified herein shall be provided within the SIR amount(s);
- (h) all the required insurance, except Professional Liability insurance, must be written on an “occurrence” basis and not a “claims-made” basis (except as otherwise expressly specified); and
- (i) the insurance policies must provide for at least thirty (30) days prior written notice to be given to Owner in the event that coverage is materially changed, cancelled or non-renewed or once any policy limits have been exhausted by fifty percent (50%).

3. In no event may Contractor perform or allow any subcontractor to perform any work under this Agreement until Contractor has delivered or caused to be delivered to the City’s Risk Management Division the required evidence of insurance coverages that comply with the provisions of Section 1 through Section 10.

4. Contractor shall maintain all insurance in full force and effect for the entire term of this Agreement and as otherwise expressly specified. If any such insurance is due to expire during the term of this Agreement, Contractor shall not permit the coverage to lapse and shall furnish evidence of coverage to Owner, PRA, PAID, PIDC, and PHDC. In the event of material change, cancellation or non-renewal of coverage(s), Contractor must replace the coverage(s) to comply with the contract requirements to prevent a lapse of coverage for any time period during the term of the contract.

5. Endorsement forms required include CG 20 01, CG 20 10 and CG 20 37 as published by the Insurance Services Office (“ISO”) or on equivalent forms that are satisfactory to Owner.

6. Contractor, for itself and its respective insurers, hereby releases Owner, PRA, PAID, PIDC, and PHDC from any and all claims, demands, actions and causes of action (including, without limitation, subrogation claims), for loss or damage covered by any of the insurance maintained by Contractor, even if the loss or damage shall have been caused by the fault or partial negligence of Owner, PRA, PAID, PIDC, or PHDC, or anyone for whom the Owner, PRA, PAID, PIDC, or PHDC may be responsible. If any of the policies of insurance required under this Agreement require an endorsement to provide for the waiver of subrogation, then the named insured of such policies will cause them to be so endorsed.

7. Certificates of insurance evidencing the required coverages and additional insured endorsements must specifically reference the project and the Subgrant Agreement between PAID and PRA (as amended, the “**Subgrant Agreement**”), pursuant to which this Agreement is authorized. **At least ten (10) days before work is to commence, and before each renewal date, Contractor shall submit the original certificates of insurance to:**

PRA and PHDC at 1234 Market Street, 16th Floor, Philadelphia, PA 19107,
Attention: General Counsel;

Insurance Requirements

PAID c/o PIDC at 2600 Centre Square West, 15th and Market Streets,
Philadelphia, PA 19103, Attention: Vice President – Corporate Counsel; and

City's Division of Risk Management at One Parkway Building, 14th Floor,
1515 Arch Street, Philadelphia, PA 19102, Attention: Risk Manager.

8. The ten (10) day requirement for advance documentation of insurance coverage may be waived by the Owner in situations where such waiver will benefit the Owner, but under no circumstances shall the Contractor actually begin work (or continue work, in the case of renewal) without providing the required proof of insurance and required endorsements. Owner reserves the right to require the Contractor to furnish certified copies of the original policies of all insurance required under this Agreement, including certified copies of all required endorsements, at any time upon ten (10) days prior written notice to the Contractor.

9. Insurance requirements are subject to the periodic review by Owner. Any failure, actual or alleged, on the part of Owner to monitor or enforce compliance with any of the insurance requirements will not be deemed as a waiver of any rights on the part of Owner. Owner may require additional types of insurance or higher limits if, in its sole discretion, the potential risk warrants it.

10. Notwithstanding the minimum insurance policy limits specified in Section 1, no less than the stated value for each of the insurance policies of Contractor and its subcontractors shall be available to Owner, PRA, PAID, PIDC, and PHDC to cover Contractor's indemnity under the Agreement. However, the minimum amount of insurance required in Section 1 shall not be construed to be a limitation of the liability on the part of Contractor and the carrying of the insurance described shall in no way be interpreted as relieving Contractor of any responsibility or liability under this Agreement.

11. Contractor shall, at all times, keep the Property free from accumulation of waste materials or rubbish caused by Contractor's operations. All rubbish and flammable items shall be removed from the Project site daily and work areas shall be maintained free from accumulation of combustible debris. Contractor shall remove all dirt, grease marks, etc., from walls, ceilings, floor, fixtures, etc., resulting from the performance of the work of the Project. Upon completion of the work, any tools, materials and other articles not removed within seven (7) days after notice by Owner may be treated as abandoned property.

Financing to Support Your Rebuild Contract

PIDC financing and a mobilization grant are available to qualified Philadelphia-based businesses that have been awarded a Rebuild sub-contract.

The **Rebuild Contract Line of Credit Loan (“Rebuild CLOC”)** provides support to small, minority, women, and disabled-owned businesses that need working capital to fund contract-related expenses. To qualify, contracts must be for a Rebuild Project and be assignable to PIDC. Use of funds is restricted to labor, materials, and equipment costs directly associated with the contract being financed.

Borrowers may be required to participate in technical assistance programs sponsored by PIDC or other approved providers designed to support their business growth. Financing is an advance on approved contract receivables with an opportunity to access grant dollars for mobilization needs.

For more information, please visit PIDCphila.com or contact Camille N. Simpkins, Relationship Manager, at 215-496-8137 or csimpkins@pidcphila.com.
