Re: Answer to Bidder's Question

- Q1. Keynote Tag MR-09 Shows 3,100 SF. I don't see MR-09 on the drawings, is that supposed to be MR-08?
- A1. General Masonry Repairs – Approximate Quantities table, sheet A4.0/A4.1: Keynote tag MR-09 should read MR-08. Keynote MR-09 does not exist in project.**
