

**Brewerytown Myrtlewood RFP
Submitted Questions**

1. I'm putting together the RFP for Marston & Myrtlewood and wanted to know if I can use some of these lots to build a community center for the local RCO? I have spoken with some of the local leaders and I'm trying to understand what the community needs to incorporate into my RFP. Let me know if I'm allowed to do this with some of the land.

The preference for development is for single-family housing.
