These figures are based on the Section 8 annual income limits for low- and moderate-income households set by the U.S. Department of Housing and Urban Development (HUD), effective April 1, 2025. HUD defines 50% of area median income as "very-low income" and 80% as "low income." The definition of very low-, low- and moderate-income in this table are based on City Ordinance 1029AA which defines 50% of Area Median Income as "low income" and 80% as "moderate income."
